I am excited to take this opportunity to introduce myself to you. My name is Ashley Schoessow. I am currently a 3rd grade teacher here at Freedom Academy. I graduated from Brigham Young University – Idaho with a Bachelor of Science degree in Elementary Education. I hold a current Level 2 Teaching License issued by the state of Utah. I am currently entering my 6th year of teaching and my 5th year here at Freedom Academy. I have had experience teaching 2nd, 3rd, 4th, and 5th grade. I love teaching! I was born in Provo and raised in Southern California. I am the oldest of 6 children. While at Freedom Academy I have enjoyed many opportunities to get involved. I have especially enjoyed working for the past 5 years with Freedom Academy's Student Council. In my spare time I enjoy photography, snowboarding, watching movies, spending time at the beach/pool, and hanging out with friends and family. One of my favorite things to do is read. I LOVE BOOKS! I have a really hard time choosing a favorite book because there are so many good ones. The first book I remember loving was Charlotte's Web, and it has remained one of my favorites. I became a teacher, because I love learning new things. As a child I learned how hard it was sometimes to master new academic skills, but how wonderful it felt to find

success. My goal for my students is that they find joy in learning and reaching their goals even though sometimes the journey may be difficult. I want each of my students to become a life long learner.
