

My name is Alisha Walters.

-I received a Bachelor of Science in Elementary Education with an emphasis in social studies from Utah State University. Go Aggies!

- I hold a Utah State Level 2 Teaching License.

- This is will be my sixth year teaching here at Freedom Academy.

- I love teaching and getting to know all of the wonderful students that we have here!

My favorite quote is, "Everything can be taken away from a man but one thing; the last of all human freedoms – to choose one's attitude in any given set of circumstances to choose one's own way." - Victor Frankl

Some of my favorite books are:

1. The Miraculous Journey of Edward Tulane by Kate DiCamillo
2. To Kill a Mockingbird by Harper Lee
3. Harry Potter Series by J.K. Rowling's
4. The Pigeon Books by Mo Willems

I am from Cardston, Alberta, Canada, and I love going back to visit my family. I married my husband Dieter three years ago and we currently live in Provo, and love it here. Some of my hobbies include motorcycle riding with my husband on his Harley, floating the Provo River, horseback riding, and roping, doctoring sick cows, trail rides on horseback, snowboarding, wakeboarding, running, and swimming. I love being active and having a good time!

My goal for my students is for them to achieve their personal best through individual goal setting and achievements. I also want my students to be successful in the classroom. One of my class mottos is "**We can do hard things.**" I want my students to know that they can reach their goals through hard work. I truly believe that knowledge is power.

I am excited to teach your students this year at Freedom Academy!
