

My name is Buddy, yes it is my real name, Ivie. I grew up in a small town in Wyoming. In fact, my graduating class was twenty-one students strong. After high school I attended Utah Valley University. This is my 7th year teaching at Freedom. I have a level II teaching license with the state of Utah and I am taking classes to complete a master's degree in education administration. I will graduate from the program next summer. My teaching assignments have been 6th grade for two years and now teach the 7th and 8th grade history and geography classes. I also am involved in the sports programs and have had been doing work as the Assistant Director.
