

I feel privileged to be a teacher at Freedom Academy. I graduated from UVSC with a Bachelors degree in Elementary Education in 2007, and Argosy University with a Masters of Educational Leadership in 2010. I have a Level 2 Professional Educator License for the State of Utah. I enjoy learning and will continue to develop good teaching practices through professional classes.

I enjoy the 4th grade curriculum, and love to teach children how to acquire this knowledge. I love to read, and would like to be a life long learner.

I am married with six children 5 girls, and 1 boy. We reside in Orem, and love this community.

If I could choose one hero it would be my Father. He grew up a “farm boy” in rural Utah, and went on to become a successful Psychologist, husband, and father of 6 children. He built a standard of impeccable work habits that he lives by even today. He tended to duties, and worked with people all his life. When I saw him talking with other people he would always care and listen to them.

My favorite author and books right now are Brandon Mull’s “Fablehaven series, Madeleine L. Engle’s “A Wrinkle in Time”, J. K. Rowling’s “Harry Potter” series, Louis Sachar’s, “Holes”, and Gary Paulsen’s “Hatchet”. I love to play board games (my favorite is "Settlers of Catan"), play in the yard, and watch movies with the family. I also take them camping, and exploring in nature. I play the Guitar, a little Clarinet, and very little piano. I love music in general.
