

Hello! My name is Lydia Lallatin, and I am excited about beginning my second year teaching here at Freedom Academy. Let me tell you a little about myself. I have obtained a bachelor's degree in Elementary Education and an emphasis in English from Asbury University in Kentucky. I also currently possess a Level 2 teaching license from the state of Utah. I love reading, playing piano, thrift store shopping, playing Wii, and spending time with family.

I have taught kindergarten, fourth grade, and now third grade. Three years ago I moved from Kentucky to Orem with my husband Josh. This will be my fifth year teaching, and I am thrilled to be teaching 3rd grade at Freedom!

My goal for my students is that they learn how to think for themselves and to figure out problems with tools I've provided them. I want them to love learning and reading and to take ownership for their education. Likewise, as a teacher, I am always learning new things and striving to better myself and grow as a teacher. Thank you for participating in your child's education. I am looking forward to a great year at Freedom Academy!
