

Freedom Academy

FREEDOM FLYER

Aug. 24th, 2011

FROM THE DIRECTOR'S DESK

Dear Freedom Academy Parents,

The 2011-12 school year is moving forward at a brisk pace and we take this opportunity twice each month to send you our Freedom Flyer newsletter with the most recent news.

We are nearing mid-term of first quarter. Look for a mid-term report from the teachers and look for classroom parent conference sign-ups for later this month. This is a perfect opportunity to have a personalized conversation with your child's teacher regarding specific subjects and/or all of the academic areas here at the school this year. Teachers schedule conferences for the last week of September and time slots are filling up quickly. Our school goal is always 100% attendance at these conferences. It helps us get to know each of you and learn more about your child/ren. We encourage you to check your work and personal schedules now and find a time that works for you. The teachers try to coordinate family times, but this is best done early and not always possible. Wednesday evening, Sept. 27 the 7 & 8 teachers will host parents in the gym. If a different time is needed, please contact them for other available days and times. Most K-6 teachers also offer evening conference times as well on that date.

We had two firsts just this week. Freedom Eagles played their first co-ed volleyball game of the season, hosting Reagan Academy. The Eagles came out on top! Freedom also hosted their first ever cross country meet. We had both a boys and a girls team.

Four area schools participated and both Freedom teams placed first. These young athletes deserve much praise and recognition for their commitment and skills as we launch both seasons this fall. Come join our cheering section and support our teams.

The fall schedule for before and after school class offerings is included in this communication folder. Don't miss the wide variety of opportunities for your children including the sports seasons. We have everything from Zumba and ballroom dance to Whywait Math and cheer team. Shakespeare begins later in October so you won't want to miss joining the learning and fun this fall. Take a look and see what you can find. Research shows that students with three well developed skills/hobbies/interests fare a great deal better throughout their lifetimes than people who don't have these cultivated talents. Why not give your child a chance to try something new this year?

Thank you once again for your time and support of the school. We continue on our path seeking excellence in every facet of our mission and daily work. Thank you for being our partner on this journey. Every child, every chance, every day.

Respectfully,
Mrs. Herring

CALENDAR OF EVENTS

Sept. 14
Volleyball @ Lincoln Academy

Sept. 15
School Picture Day
Cross Country @ Reagan

Sept. 19
Volleyball @ Maeser

Sept. 20
Cross Country @ Alpine

Sept. 21
